## REMINDER TO TAX PAYERS

The assessor's meeting for this year is on Thursday April 1st. All tax payers are reminded to make and bring to assessors true and perfect lists of their polls and all their estates, real and personal, not exempt from taxation, which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April. (Tractors that are not excised by the 1st of April can be taxed as personal property.)

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the assessor's or county Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

---

## DOG TAXES

Dog taxes are due and payable the first of April. A completed list of Dogs must be mailed to the State by June 1st. Any Dogs not licensed after this date can be given to the Town constable for collection. Constables collection fee is 3 Dollars. Dogs 4 months and older are now taxable. This is a change from the previous law of 6 months.

## AUDIT REPORT

---

September 3, 1964

Board of Selectmen  
Glenburn, Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, as amended, an audit has been conducted of the financial records of the Town of Glenburn for the fiscal year ended February 7, 1964.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Within the scope of the examination, the financial transactions were appropriately handled, with such exceptions as may be noted in the accompanying commentary.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at February 7, 1964, and the results of its operations for the year then ended.

Respectfully submitted,

MICHAEL A. NAPOLITANO

State Auditor

## Town of Glenburn

February 3, 1963 to February 7, 1964

An audit has been completed of the financial records of the Town of Glenburn for the fiscal year ended February 7, 1964. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector, and other municipal officials.

The operations for the year showed that the net unexpended departmental balance lapsed amounted to \$56.40, per the following summary:

Departmental Operations:	
Unexpended Balances	\$ 1,411.59
Overdrafts	1,355.19
	<hr/>
Net Unexpended Balance	\$ 56.40

The overlay and supplemental taxes, less the abatements were the major factors contributing to the amount lapsed to surplus.

---

The following comments pertain to the accompanying financial statements and to the scope of audit.

**ASSETS** — The general cash balance of \$1,391.88 was on deposit in the Merrill Trust Company, Bangor, Maine at February 7, 1964.

Taxes receivable totaling \$18,015.72 consisted principally of current year accounts totaling \$16,991.32 and prior year balances of \$1,024.40 dating from 1961.

Tax liens and tax acquired property amounted to \$4,360.-50 and \$1,958.03 respectively.

**LIABILITIES, RESERVES, AND SURPLUS** — General fund liabilities consisted of a small balance due the collector for over-remittances and a tax anticipation loan of \$10,000.00 due September 30, 1964.

The appropriation accounts showed a net unexpended balance of \$2,279.10, representing various operating account balances and overdrafts carried forward to the ensuing year in accordance with legal requirements and/or vote of the townspeople.

Other reserves included the uninvested ministerial and school fund of \$3,000.00 and the new school building and grounds fund of \$2,045.87.

The unappropriated surplus amounted to \$8,364.34, an increase of \$1,360.53 for the year. The increase was occasioned principally by the state reimbursement for veterans' tax exemptions.

**TRUST FUNDS**—Trust fund principals totaled \$6,240.00 and unexpended income amounted to \$44.96. With the exception of the Ministerial and School Fund of \$3,000.00 due from the general fund, the trust funds were on deposit in various savings banks.

**DEPARTMENTAL ACCOUNTS** — The departmental operating accounts showed a decrease of \$2,673.53 in funds raised by taxation, as compared with the preceding year. A smaller appropriation for education was the principal factor contributing to the decrease.

**GENERAL** — The use of excise tax revenue for snow removal purposes was voter authorized.

Overpayments on certain teachers' contracts are being recovered in the ensuing year.

It is recommended that delinquent real estate taxes be secured by legal process to protect the town's foreclosure rights.

### SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depository or by direct bank confirmation. An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period.

Excise tax collections were verified with the copies of the receipts retained by the collector. Trust fund transactions were examined. Surety bond coverage was reviewed.

To the Glenburn School Committee, town officials, taxpayers, and parents I present the following report of the Glenburn Elementary School.

The phonetic approach to reading introduced last year is working very well and we propose to continue this program in grade one through three next year.

With the second grade enrollment of forty pupils it was decided to hire another teacher to relieve this overcrowded situation therefore the grade has been split in order to provide better instruction for the children.

This year a survey of federally connected pupils has been taken and twenty-five eligible pupils were found. We can anticipate approximately \$2000. from Public Law 874 to help finance the education of these children. Although I have not shown this money from federal sources in the anticipated income I feel certain that our second survey will not change the amount of this revenue.

I wish to thank all those people who have worked hard at the Glenburn Elementary School to make the past year a successful one.

Respectfully submitted,

RICHARD H. GRANT

## SUMMARY OF NEW FORESTRY LAWS

---

To inhabitants of town of Glenburn:

Your attention is called to new and revised laws enacted by the 102nd Legislature.

Due to limited space only those that will affect most of you are being summarized at this time. The Title, Chapter and Section numbers are being given but exact wording has been substituted by a general meaning of these laws.

Title 12, Chapter 215, Sub-Chapter 5, Section 1355

This law states that any town allowing dumping to continue on town dumps closed by the State because they do not meet clearance regulations will lose the town's right to State reimbursement of  $\frac{1}{2}$  the costs of control of any escape fire from this dump during time of closure. This is up to 1% of state's valuation of town.

Title 12, Chapter 215, Sub-Chapter 7, Section 1456-A.

This states NO EQUIPMENT for producing power shall be operated in or near woodlands WITHOUT APPROVED SPARK ARRESTERS OR MUFFLERS. This applies to chain saws, tractors, either manufactured or home-made, or other equipment.

Title 12, Chapter 215, Sub-Chapter 11, Section 1653.

Any person who willfully or negligently causes a fire which burns forest, brush, grass or other lands or who fails to take proper action to control a fire on his own land shall be LIABLE TO THE STATE OR TOWN FOR UP TO \$500.00 of the suppression costs.

Title 25, Chapter 317, Section 2436-A.

This sets up control of debris burning when the GROUND IS NOT COVERED WITH SNOW. Debris may be burned out of doors only between the hours of 5:00 P.M. and 12:00 midnight unless you have an approved incinerator or a special burning permit from your Town Warden or Fire Chief. Incinerator approval may be obtained from your town fire warden when the ground is not covered with snow. To meet approval incinerators must be tight containers with 1" holes for draft not more than a foot from bottom of container. Top must be tightly covered while burning with mesh or equivalent with holes  $\frac{1}{2}$ " or smaller. Incinerator is to be set in center of circle 10 ft. in diameter cleared to mineral soil. Pressurized cans shall not be burned and fire shall not be left unattended.

NOTE: This law applies only to debris burning. Permits for burning slash, brush, blueberry land or fields of dry grass must be obtained for any time of day.

To the Glenburn School Committee, Town Officials, Taxpayers and parents I present the following report of the Glenburn Elementary School:

We have received \$2,288.00 for the 1964-65 school year from Public Law 874 from the Federal Government for federally connected pupils. I have been advised by William D. Hathaway in a telegram from his office that \$2,422.00 will be received for the 1965-66 school year from the same law.

The school lunch program still operates on its own funds and shows a slight balance at the close of the year. A new Hobart commercial type mixer was purchased from these funds at a cost of \$589.05.

The first grade class entered with a total of 41 pupils and the grade was divided between two teachers. Since the 1955-56 school year the elementary school population has increased from 142 to 257 in 1965-66. The percent of increase has been 80% plus in a ten year period.

The Superintending School Committee is exploring all possibilities for added classrooms and will report their findings at the annual town meeting.

The Glenburn Elementary School is now the largest elementary school in Union 83 and employs the most teachers. 10.6 teachers are employed here and the next largest employs 8.2 teaches.

Respectfully submitted,  
RICHARD H. GRANT  
Superintendent of Schools

## AUDITOR'S REPORT

---

September 2, 1965

Board of Selectmen  
Glenburn,  
Maine

In accordance with Title 30, Section 5253, Revised Statutes of 1964 an audit has been conducted of the financial records of the Town of Glenburn for the fiscal year ended February 3, 1965.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Within the scope of the examination, the financial transactions were appropriately handled, with such exceptions as may be noted in the accompanying commentary.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at February 3, 1965, and the results of its operations for the year then ended.

Respectfully submitted,  
ARMAND G. SANSOUCY  
State Auditor

## COMMENTS

## TOWN OF GLENBURN

FEBRUARY 8, 1964 TO FEBRUARY 3, 1965

An audit has been completed of the financial records of the Town of Glenburn for the fiscal year ended February 3, 1965. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector, and other municipal officials.

The operations for the year showed that the net departmental balance amounted to \$15,271.68. As voted by the townspeople at the annual town meeting, all balances were carried forward to the ensuing year.

---

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general cash balances of \$4,100.40 was on deposit in the Merrill Trust Company, Bangor, Maine at February 3, 1965. The tax collector's change fund of \$20.00 was on hand.

Taxes receivable totaling \$25,557.09 consisted principally of current year accounts totaling \$24,414.71. The remaining balance of \$1,142.38 represented unpaid accounts dating from 1961. Tax liens and tax acquired property amounted to \$2,892.27 and \$3,657.72 respectively.

LIABILITIES, RESERVES AND SURPLUS . . . General fund liabilities consisted of a small amount due the treasurer for over-remittances and a tax anticipation loan of \$8,000.00 which was due January 31, 1965.

The appropriation accounts showed a net unexpended balance of \$15,271.68, representing operating account balances carried forward to the ensuing year in accordance with legal requirements and/or vote of the townspeople.

Other reserves included the uninvested ministerial and school fund of \$30,000.00 and the new school building and grounds fund of \$1,572.95.

TRUST FUNDS . . . Trust fund principals totaled 6,390.00 and unexpended income amounted to \$44.96. With the exception of the Ministerial and School Fund of \$3,000.00 due from the general fund, the trust funds were on deposit in various savings banks.

DEPARTMENTAL ACCOUNTS . . . The departmental operating accounts showed an increase of \$14,331.64 in funds raised by taxation, as compared with the preceding year. A larger appropriation for education was the principal factor contributing to the increase.

GENERAL . . . The use of excise tax revenue for snow removal purposes was voter authorized.

When partial payments are received on tax mortgage liens signed waivers should be obtained to protect the town's foreclosure rights.

It is recommended that a complete selectmen's general ledger be maintained and that trial balances be taken at least monthly. This would aid materially in keeping the audit cost at a minimum.

### SCOPE OF AUDIT

The system of internal control was reviewed as pertaining to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depository or by direct bank confirmation. An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period.

Excise tax collections were checked with the copies of the receipts retained by the collector. Trust fund transactions were examined. Surety bond coverage was reviewed.
